The support page of the HP website contains a number of tools that can help you today.HP Support Online Diagnosis Troubleshooting is excellent for control of computer systems such as power, audio and memory. Keep your computer at your fingertips when you call so you can follow any instruction. If the problem is related to hardware, support staff will make repair agreements. Customer service agents are trained to be friendly and patient, so you have nothing to worry about. I wonder what would be better to try before and if it can be canceled if it's wrong? First Universal Candidate DriverDriver-USB (1) HP Laserjet USB Communication Driver (DOT4) For Windows 8 and Superior (64-Bit) This solution Driver only provides two-way USB DOT4 communication features on Windows 8 and higher operating systems. Universal Candidate DriverFireWare-Universal Universal Print Driver (1) HP Printer Administrator Resource Kit The HP Resource Kit Administrator Printer (Park) is a collection of tools, scripts and documentation to help print the installation of administrators, distribute, configure and Manage the HP Universal Print Driver. I'll see if I can find something useful in the second universal candidate driver [universal software print driver (1)] If your HP laptop is experiencing problems, contact customer support can help you solve the problem as soon as possible. Other ways to get necessary assistance with the HP device The issuestome computer problems are caused by software conflicts or drivers outside datti. Under the À ç à, - À "supported - testing, select the type of device. If no assistance center appears, increase the search radius distance. That's why an authorized service center is the way to go: HP technicians know the details of specific laptop models. HP agents will provide pickup so you can ship your computer. Remove device passwords: Getting rid of your passwords lets technicians access your computer and make repairs quickly. I followed the procedure at but there was no driver for PSC 750. HP no longer supports this produce, so they no longer carry drivers on their website. To find the nearest HP Service Center location online, hereçÀAs what to do: Click on the Authorized Service Center link. What Can You Expect When Contacting the HP Service Center?Calling the listed phone number will put you in touch with authorized technicians. I bought a new Windows 10 64-bit laptop to replace my Windows 7 laptop. Taking your computer somewhere else may void your product warranty. The PARK contains both supported and unsupported software tools, scripts and documentation. MORE FROM QUESTIONSANSWERED.NET QUESTIONSANSWERED.NET
